TRANSMISSION OF DISPATCHES ON PARTIAL MOBILIZATION IN YUGOSLAVIA

50X1-HUM

Note: 1. This sketch represents only the general procedure. For every individual case of partial mobilization a procedure table is established according to the particular case.

2. The Military Sectors who do not carry out mobilization do not dispatch the mobilization telegram to their military precincts, but rather their chiefs are called into the military sector where they are informed on the situation and upon their return they prepare the carrying out of general mobilization.

3. A telegram is forwarded to local committees if they carry out mobilization duties. This is done by means of a telegraph, telephone, or courier.
